

## **COOKIES & PERSONAL DATA**

Artists In Residence Television respects the privacy of its users and is committed to ensuring that any personally identifiable information it collects is considered confidential.

### **How does [www.artistsinresidencetv.com](http://www.artistsinresidencetv.com) use cookies?**

A cookie is a text file deposited on your computer when you visit a site or consult an advertisement. Its purpose is to collect information about your browsing and to send you services tailored to your terminal (computer, mobile or tablet).

We use cookies to :

- Collect and analyze statistics. We may use cookies to count the number of visits, unique visitors, page views, or to produce other aggregate statistics about the activities of our sites and services. These analyses will allow us to better manage these sites and services and improve their performance.
- Work with partners. In addition to the cookies that Artists In Residence Television may create when you visit our website, third parties may also create cookies on your device when you visit [www.artistsinresidencetv.com](http://www.artistsinresidencetv.com). Our web pages sometimes host third-party content or advertisements, such as videos, news, or ads provided by other ad networks. Because your browser connects to these third parties' web servers to retrieve this content, these third parties are able to set or read their own cookies on your device and may collect information about your online activities on websites or online services.

### **Setting Your Internet Browser**

You can choose to disable cookies. Your browser can also be set to notify you when cookies are placed on your computer and to ask you to accept or decline them. You can accept or refuse cookies on a case-by-case basis or refuse them systematically.

We remind you that the setting is likely to change your conditions of access to our content and services requiring the use of cookies. If your browser is configured to refuse all cookies, you will not be able to use some of our services.
